

Online registration information

The online system is up and running!!!! The fee's for online registration are higher than the in person fee's, this is due to the fee's charged **to** Shelton American by the company handling the online registration as well as the merchant fee's charged by the bank handling the charge cards.

The league does not make any additional money from the online system, it is a convenience for those that choose to use it.

Please follow the link provided and then follow the directions for online registration.

****New Players****

Please read the following and follow accordingly;

- Determine if you belong in Shelton American or National, if you are not sure please email info@sheltonlittleleague.info then proceed to the appropriate website (sheltonamerican.com or sheltonnational.org) to register.
- If you belong in the Shelton American League you may register online but...you also have to fax proof of residency(drivers license, utility bill) and a copy of your child's birth certificate to
203.929.2161
- Follow the link provided for online registration and register your child(ren).
